

Remortgage of a Property

1. HOW LONG WILL MY REMORTGAGE TAKE?

How long it will take from your offer of a remortgage until completion will depend on a number of factors. A typical process takes between 4 - 8 weeks although it can be quicker or slower, depending circumstances.

2. HOW MUCH WILL MY REMORTGAGE COST?

For a remortgage up to the value of £500,000 the indicative costs are set out in the table below. For any remortgage over £500,000 we would need to prepare a bespoke quotation, which we can do very quickly once we have spoken to you and have further details of the proposed transaction.

	(£)	VAT (£)
Legal Fees	1,360	272

Our fee assumes that:

- This is a standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction.
- The transaction is concluded in a timely manner and no unforeseen complications arise.

- All parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation.
- No indemnity policies are required. Additional disbursements may apply if indemnity policies are required.

These costs are indicative only and we will always provide an estimate prior to starting work. If your property is valued at over £500,000 please call and we would be happy to provide an individual estimate.
